

# SEE WHY WE CALL OUR WAREHOUSE ORDER SELECTORS INDUSTRIAL ATHLETES.

## OUR TEAM MEMBERS HAVE TO BE STRONG, AGILE, AND FAST.

- ✓ THEY WALK OVER 20,000 STEPS IN A DAY
- ✓ THEY DO A LOT OF HEAVY LIFTING EVERY SHIFT
- ✓ THEY STACK PALLETS LIKE LIFE SIZE TETRIS - SAFELY AND QUICKLY

### A DAY IN THE LIFE

Pallets have to be stacked correctly so they are stable and safe

You'll be using a standing pallet jack and voice technology in this job

Our team members are on the move and need to lift, stand, bend, push, pull, stoop, crouch and reach repetitively

You have to be fast and accurate in the selection of products

Depending on your work location, you may be exposed to a variety of temperatures

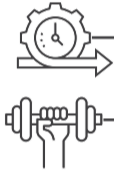

We respect each other by arriving on time and treating each other with courtesy dignity and respect

Everyone helps keep our working space clean and safe

Some of our locations are 24/7 so you can expect to work shifts on nights, weekends, and holidays

**HEADS UP!**

This job is physically demanding, so you may be required to pass a physical agility test to make sure this is the job for you.

On the other hand, our team tells us this job is better than a gym membership. You gain muscle, and get paid to do it!

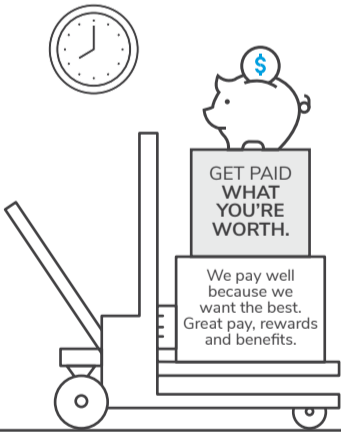

“

Everyone is willing to help and we have great teamwork. I like the challenge, it's hard work with good pay and incentives. It's a great place to make a career. Great place to get a workout as well! ”

- Rigo G., Warehouse Associate
